### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney Mathew W. Witsil on 6/2/2004.

The application has been amended as follows:

- a) A period (.) has been provided at the end of claims 1 and 2.

### ***Drawing Change***

2. The following changes to the drawings have been approved by the examiner and agreed upon by applicant:

- a) Please provide correct figure 1. Note: the figure 1 which is provided with this application does not belong to this application. See attached.

In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

### **REASONS FOR ALLOWANCE**

3. The following is an examiner's statement of reasons for allowance:  
The reason for allowance of the claims is the inclusion of the limitation,

Art Unit: 2839

- a) None of the prior art teaches or suggest, alone or in combination a first arc and a second arc connecting the first end of one parallel section to the first end of the other parallel section, having two continues looped alternative fiber paths of differing perimeters, in combination with other limitations in the claim which is not found in the prior art reference of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
